

WORLDWIDE AEROGRAMMES/AIR LETTERS

It is not often that these are offered and we found a small stock of these amongst a recent acquisition covering the period from mainly mid-1970's to 1985. This is an ever increasing area of popularity and stocks are not generally available on the market even though they make a fascinating addition to any collection, either for the countries you collect or for particular Thematics. Once sold cannot possibly be repeated at these prices as we have seen many of them offered at between £2 and £5 each. Orders over £25 deduct 15%, over £50 deduct 20%, over £100 deduct 25%.
