And finally, for the last time - yet again, Allan Grant announced it was definitely the final appearance of Rushstamps at Stampex. Rushstamps first attended Stampex in 1967, since then it has racked up 96 appearance, but Allan will not be achieving the magic 100 because that couldn't have happened until the 2021 Autumn Stampex at the earliest.

Allan, now in his early eighties, commented: "We have enjoyed trading over the years and feel that the stamp market has changed like many other industries and online shopping and eBay have made it so much easier for the collector to find their requirements." In this picture are from left to right Allan, his business partner Eric Friedman and long-serving employees Tina Hayward and David Binstead. Also happy to be included in this historic picture is one of the final customers at a Rushstamps Stampex stand.

Rushexpress 74 with 144 pages of GB is currently available for at least 12 months - go to rushstamps.co.uk to download or obtain a free hard copy. PS Allan is only 77!
