What do you know about “Philatelic Slits”?

In 2023 King Charles III 1p to £5 were produced in Coils without the ‘U-shaped’ slits to produce First Day Covers – less than a 1000 are thought to exist. If you soaked these stamps with slits, the slits invariably drop off!

It is suggested that you keep them on piece (from the FDC). So the only source of complete stamps without slits are the FDC’s, which exist Cancelled and Uncancelled! It is likely that they Royal Mail will not produce more stamps without slits.

So the only Mint/Uncancelled sets with no slits exist on the Official FDC’s which exist Uncancelled and 1st Day! We have 20 units complete which we can offer.

Limited availability - Complete set of 7 on Uncancelled(No Postmark) Covers(2) £45.00
Do. 1p to £1 (5 values) on Uncancelled (No Postmark) Cover £17.50
